

Funding Recreation Opportunities

Partners Outdoors 2012

Implementing Sustainable Funding Strategies for Public Lands

- Understand what is in place that works.
- Understand if it can be used by others.
- Determine if we can standardize.
- Identify what it would take to implement.
- What needs to happen for the Agencies to make it work?
- Local, State and Federal Perspective to issue.

Funding Sources: Operational & Capital

Appropriated Funds	Non Appropriated Funds
Agency Funds	Fees
Other Agency Funds	Excise Taxes
HHS, DOE, DoD, FHA, FEMA, DOE	Concession/Leases/Permits
State, County, Municipal	Non Profits
	Foundations
	Volunteers
	Sponsorships
	Mitigation Dollars
	Individuals
	Corporate (local, regional and national)

Local Financial Sustainability

State Financial Sustainability

Redwood

National and State Parks
California

- Service Delivery Strategies
- Public to Public
- Public to Private
- Non Profit to Non Profit
 - Maintenance
 - Law Enforcement
 - Search and Rescue
 - What else?
